Article 1 — Cookie notice

1.1 This website does not set cookies and does not use session storage or similar technologies. It uses your browser's local storage in three cases only, and only if you ask:

1.2 • Workspace questionnaire: "Remember my answers on this device" keeps your answers (`star_ws_quiz`). "Forget" deletes them.
• Workspace profile: saving the profile keeps it (`star-profile`), and the list of tools opened last if you allow it (`star-recent`). The profile page deletes them.
• Museum: "Remember my progress" keeps records and badges (`star-museum-remember` and names starting with `star-museum-` or `star_mx_`). Unticking deletes them.

1.3 These items have no expiry date: they stay in this browser until you delete them. The web page of this notice and the Workspace profile page have one control, "Clear my local data", that removes all of them and confirms it.

1.4 None of this leaves your browser; your browser's settings can delete it too. There is therefore no cookie banner: nothing is stored unless you ask for it.

1.5 The language you read the website in is chosen by the address (`/` for English, `/it/` for Italian), not by stored preferences.

1.6 If this ever changes, this notice will be updated and, where the law requires it, your consent will be asked before anything is stored.
