1.2 The engagement is a contract for intellectual services (Articles 2229 and following of the Civil Code): the Professional undertakes to perform the activity with due diligence, not to achieve a given result, unless expressly stated.

1.3 Activities not listed are outside the engagement; any extension is agreed in writing.

Article 2 — How the work is done

2.1 The Professional performs the engagement personally and may use assistants under their direction and responsibility (Article 2232 of the Civil Code).

2.2 The Client provides the information and documents needed in good time; delays caused by their absence are not attributable to the Professional.

Article 3 — Fee

3.1 The fee is charged by the hour at EUR [amount] per hour, plus VAT and statutory charges where due; the Professional keeps a record of hours, available to the Client.

3.2 Invoices are payable within 30 days of receipt. Late payment bears the interest provided by Legislative Decree 231/2002 where the Client acts as a business.

3.3 Documented out-of-pocket expenses are reimbursed separately if approved in advance.

Article 4 — Confidentiality and personal data

4.1 The Professional keeps the Client's information confidential and uses it only for the engagement.

4.2 Each party processes the other's personal data in accordance with Regulation (EU) 2016/679 (GDPR); where the Professional processes data on the Client's behalf, the parties sign an agreement under Article 28 GDPR.

Article 5 — Rights in the work

5.1 On full payment of the fee the economic rights in the work produced for the Client are transferred to the Client, within the limits of Law 633/1941; the Professional keeps general know-how and pre-existing tools.

Article 6 — Liability

6.1 Where the service involves technical problems of special difficulty, the Professional is liable only for wilful misconduct or gross negligence (Article 2236 of the Civil Code).

6.2 Otherwise the Professional's liability is limited to the fee received, except for wilful misconduct or gross negligence (Article 1229 of the Civil Code).

Article 7 — Term and withdrawal

7.1 The engagement lasts until the listed activities are completed.

7.2 The Client may withdraw at any time, reimbursing the expenses incurred and paying the fee for the work done (Article 2237 of the Civil Code).

7.3 The Professional may withdraw only for just cause and so as to avoid prejudice to the Client.

Article 8 — Governing law and jurisdiction

8.1 This agreement is governed by Italian law.

9.1 This agreement contains the whole agreement of the parties on its subject and supersedes any earlier understanding.

9.2 Any amendment must be in writing, failing which it is void.

9.3 If a clause is invalid, the others remain in force and the parties replace it with a valid clause whose effect is as close as possible.
