## Article 1 — Cookie notice

**1.1** This website does not set cookies and does not use session storage or similar technologies. It uses your browser's local storage in one case only, and only if you ask: in the Workspace questionnaire, ticking "Remember my answers on this device" keeps your three answers there (under the name `star_ws_quiz`), so they are filled in the next time. They never leave your browser. Untick the box or press "Forget" and they are deleted at once; your browser's settings can delete them too. There is therefore no cookie banner: nothing is stored unless you ask for it.

**1.2** The language you read the website in is chosen by the address (`/` for English, `/it/` for Italian), not by stored preferences.

**1.3** If this ever changes, this notice will be updated and, where the law requires it, your consent will be asked before anything is stored.
