The S.T.A.R. name and logo identify this project. You may use the name to refer to the project and its packages. Do not use the name or the logo in a way that suggests endorsement, partnership or that your product is S.T.A.R.

Names of agencies, companies, standards and libraries cited on this website (for example NASA, ESA, CCSDS, SciPy, Orekit) belong to their respective owners. They are cited only to identify public data, standards and algorithms. **No sponsorship, endorsement, partnership or affiliation is implied.** No third-party logo is used.

When you reuse S.T.A.R. results, please cite the package, its version and the evidence file.
