CONTRIBUTOR LICENCE AGREEMENT — INDIVIDUAL — template v1.0 (not in use yet)

Contributor: _____
<_____> _____

1. Licence. For every contribution the Contributor submits to S.T.A.R., the Contributor grants Andrea Cavazzini and the recipients of the software a perpetual, worldwide, non-exclusive, royalty-free, irrevocable licence to reproduce, modify, publicly display, sublicense and distribute the contribution, under the Apache License 2.0 or a later licence approved by the Open Source Initiative.
2. Patents. The Contributor grants a patent licence on the same terms as section 3 of the Apache License 2.0.
3. Moral rights. Nothing in this agreement affects the Contributor's moral rights, which under Italian law (Law 633/1941, art. 22) cannot be waived; the Contributor will be credited.
4. Ownership. The Contributor keeps the copyright of the contributions.
5. Declarations:
[ ] The contributions are my own original work, or I have the right to submit them
[ ] If an employer has rights on my work, it has agreed to this submission
6. No warranty. Contributions are provided "as is", as in section 7 of the Apache License 2.0.
