Forms and templates

Fill a form here, then print it, save it as PDF or copy the text into an email. Everything happens in your browser: nothing you type is sent or stored.

Templates to be adapted. Prepared without a lawyer's review; they bind no one until both parties sign.

- Personal data request (GDPR)
- Vulnerability report
- Assessment request
- Mutual non-disclosure agreement (template)
- End-use statement
- Contributor licence agreement — individual (template) ● Not in use yet
- Contributor licence agreement — organisation (template) ● Not in use yet

---

Personal data request (GDPR)

Ask for access to, correction or erasure of your personal data, or exercise another right under Articles 15–22 GDPR.

Your name *

Email address you wrote from *

What your request concerns (e.g. the date of your email) *

Date *

dd/mm/yyyy

- [ ] Access (Art. 15)
- [ ] Rectification (Art. 16)
- [ ] Erasure (Art. 17)
- [ ] Restriction (Art. 18)
- [ ] Portability (Art. 20)
- [ ] Objection (Art. 21)

Prepare the document

Vulnerability report

Report a security problem in a S.T.A.R. package, following the security policy.

Package and version *

What is wrong, in one sentence *

How to reproduce it (smallest example) *

What an attacker could do

Name to credit, or 'anonymous'

Your email for the follow-up *

- [ ] I tested only on my own systems and data *
- [ ] I will keep it private until a fix is published or 90 days have passed, whichever comes first *

Prepare the document

Assessment request

Describe the engineering question you want measured. A first message carries no confidential data; confidentiality is agreed before any is exchanged.

Organisation (or 'private') *

Your name and role *

Email *

What should be measured, and against what *

When you need an answer

Country where the result will be used *

- [ ] This message contains no confidential, classified or export-controlled data *
- [ ] I have read the acceptable use policy *

Prepare the document

Mutual non-disclosure agreement (template)

Signed before confidential material of a prospective customer is received. A template: both parties read, adapt and sign it.

Other party (name, address, registration number) *

Purpose (the assessment being evaluated) *

Duration of the agreement, in years *

Years the obligations last after receipt *

Competent court between businesses *

Place and date *

Prepare the document

End-use statement

Asked before an assessment whose result could support a space or dual-use activity. It records who will use the result, where and for what.

End user (organisation, address) *

Country of end use *

Intended end use, in plain words *

Name and role of the signatory *

Place and date *

- [ ] The result will not be used for weapons of mass destruction, their delivery systems, or military end uses subject to an embargo *
- [ ] No person or entity on an EU sanctions list is involved *
- [ ] The result will not be re-exported in breach of Regulation (EU) 2021/821 or the EU restrictive measures in force *
- [ ] I will notify any change of end use or end user before it happens *

Prepare the document

Contributor licence agreement — individual (template)

● Not in use yet

Will be used once code contributions are accepted. Until then it is published so that its terms can be read in advance.

Contributor's full name *

Email *

GitHub account (if any)

Place and date *

- [ ] The contributions are my own original work, or I have the right to submit them *
- [ ] If an employer has rights on my work, it has agreed to this submission *

Prepare the document

Contributor licence agreement — organisation (template) ● Not in use yet

For an organisation whose employees contribute. Will be used once code contributions are accepted.

Organisation (name, address, registration number) *

Signatory with authority (name, role) *

Employees authorised to contribute (names, emails) *

Place and date *

- [ ] The signatory has the authority to bind the organisation *
- [ ] The organisation will notify when an authorised person leaves or changes *
